Dear Mrs. Reimche:

RE: Appeal to City Council
For a Use Permit
Temporary Travel Trailer
Security Purposes
928 BLACKDIAMOND WAY

On January 17, 1991, I received a letter from Mr. Schroeder, which stated that, the Use Permit for a temporary travel trailer at 928 BLACKDIAMOND way, was denied.

It also stated that, under Section 17.72.110 of the Lodi Municipal Code:

That I may make an Appeal to the City Council, to grant an Use Permit for a temporary travel trailer, to be used for security purposes at 928 Blackdiamond way.

At the meeting on Monday, January 14, 1991, some questions were asked.

I'm enclosing a map, to show some adjustments that have been made with the trailer, on 928 BLACKDIAMOND way.

Since we were using the restroom in shop B, the hose was disconnect from the trailer that went to the sewer. The septic tank can be drain at a Service Station, that handles these thing's.

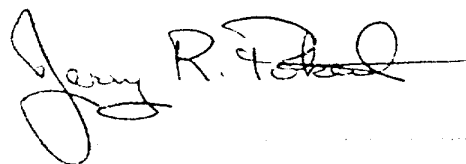

The electrical cord has been covered in 1" pipe, to prevent it from shorting and possibly causing a fire.

By us being the security at night, we are able to store some of our thing's inside shop B. Also I'm able to use some of the equipment inside, for some side jobs that I have taken on, in order to make extra money.

By us being security there, it has kept some of the places in that area from being broken into.

I Appeal to the City Council to review my request for a Use Permit for a temporary travel trailer.

Sincerely,

Jerry R. Fisk
